Yesterday and today I had a most pleasant visit from Jane Hamilton and Bob & Joann Childers. You know, we write each other over the years and become "cousins" over and over again. We come to know each other but without a face. Letters and words DO help you to know the other person, but to put a kind face to the name truly captures the knowledge of the people you have come to know with words and an address.

Jane, Bob and Joann have really become "family" to me, regardless how many relatives we have to go through to make our connection. This was not the first visit from these lovely people - they have been here before, and I first met them face to face at our first Association meeting in Memphis. I "Liked" them then - but now they are truly "family". I sincerely hope many more of you will get to come to the next meeting of the Family Association which will be held here in Houston this coming October 4 - 6. (See the next page for full details on the meeting).

I would wish for each of you to find that heart felt feeling of "belonging" to our family.....as I said.....no matter how many relatives we have to go through to get there! If you don't care for genealogy, the personal feeling of identity and belonging gives your spirit a lift. After all.....we ARE our brothers keeper and what better "Brother" can you find than in a meeting like this???

Start making you plans NOW for next October, and let others know of our meeting. Get you local genealogical society to place an announcement in their newsletters...place announcements in you local newspapers....when writing others ask them to pass along this information. Hey....why not call some CHILDERS/CHILDRESS people in you local phone directories and give them an invitation to attend. Why not be pushy....we are proud of our heritage and want others to know about us also. SPREAD THE WORD.....

Dear Molly,

I read with interest the letter within a letter from Barbara Evans on page 7 consecutive page 777 in The Childress Chatter issue number 66, October 1995. While I cannot answer the question of Mosby's parentage, I do believe I can shed some light on question number two concerning Susannah Goolsby.

You have my permission to print or not to print all or only part of the following data:

Who married Susannah Goolsby? The case for Henry Childers:  
Henry Childers bought land in Albermarle County 10 September 1755. (Bear in mind that Thomas Goolsby, Susannah's father was a resident of Albermarle County at this time.)  
Source: Virginia Land Patent Book 31, 20 September 1751 to 10 September 1755, Part II. This was printed in Magazine Of Virginia Genealogy, Volume 31 Number 3, August 1993.

Henry and Susannah's names were listed on deeds dated 7 October 1765 and 27 August 1770, and on the latter John Goolsby signed as witness.  
Source: The Deeds Of Amherst County, Virginia 1761 - 1807 And Albermarle County, Virginia 1748 - 1763 by Rev. Bailey Fulton Davis.

On a deed dated 1 December 1777, Henry Childers received land from William Goolsby, executor of Thomas Goolsby, deceased, and the deed states that the land was patented by William's father, Thomas Goolsby, at Williamsburg 16 February 1771.

Source: same as above

Henry Childers is the probable father of Goolsberry/Goolsby Childers, the Rev. War veteran. Moses Swinney, Henry Childers and Goolsberry Childers owned adjoining lands atop the Blue Ridge in Amherst County, and then Henry and Goolsberry are found in the part of Kentucky now called Garrard County in the 1790's and early 1800's. Goolsberry had a son Henry and daughter Susannah.  
Source: various deeds and tax records of Amherst County, Virginia and Lincoln, and Garrard Counties, Kentucky. DAR record of Goolsberry Childers.

The name Goolsby was used by Henry and Susannah's son, Robert, for his son Goolsby and by Robert's son Henry for his son, Henry Goolsby. Think practical and you know no one but a Goolsby descendant would use that name for a child!

Let us not assume that there was only one Susannah Goolsby or only one Childers who married a Goolsby. The first Goolsby land patent known is dated 1732, leaving many years for one or more Goolsbys to have grown up and married a Childers.

p.s. If anyone can prove me right or wrong, please send me your PROOF. I will read and consider.

In the interest of genealogy,

The search for my CHILDERS fore fathers has lead me to you. My parents were both killed in a car accident a couple of years ago and my daughter and I are trying to record our family history for the rest of the family.

In a letter written to Rhonda (Childers) Burch dated 1986 from Rev. James A. M. Hanna, he had referred her to you for helping to search her family lines. I have read your "Childerss Chatter" in Tampa, Florida. Is there a way I could receive this publication? Have you published the 400 pages of information on the Childers family tree? I would be glad to purchase it also if it is available.

Any help you could give me would be greatly appreciated. I'll gladly pay for and copies you make to give further information. Thank you for your attention.
