# CHILDRESS CHATTER

Issue No. 73

Page No. 1

July 1997

Consecutive Page No. 859

Thank you for your many prayers and cards. You have all been a pleasure to me and it feels good to know we have friends we have never met. Love you all and God Bless you each and everyone.

May I first make a request of the Childers Family Asso. to please consider reimbursing Joann Childers for money she sent to me in the sum of \$150.00 for postage on all the material I have sent to her. This material is ALL the material I have gathered over the past (almost 20 years). This is correspondence and research material I have gathered from all of you and others and is a gold mine of information that I was most concerned as to where to place it. I felt the Childers Family Asso. was the most important location for this material and Joann was there to help me see that it was all taken care of. Thank you Joann for being there.

Please send ALL your future correspondence to Joann.....she is going to publish another Childers/Childress newsletter. so this will not be the end of good research for our family. HOWEVER, if any of you DO find my William Childress who married Elizabeth YORK.....please do let me know. Have never found a marriage location.

I will continue to sell back issues of Childress Chatter and the census of Tx., Tn., & Al. There are several of you who are in the process of obtaining back issues and these will still be available from me.

Love, Molly

JOANN WILL HAVE THE WORKBOOKS - WRITE  
HER FOR INFO.

I'm back on line, let me see what I can transmit to you. I am putting 2 text files at the end of this & they should transmit as part of the narrative. I have copies of these pages from books at the library & original copy of Perkins will.

Before I went back to work I use to visit library regularly. Now it is not possible very often. As I said new to internet & trying to hook up with people looking at the same line to see what is what. Not had much luck making connections with people previously. So glad to see these news groups exist. Information on others welcome.

Used PAF for over 10 years. Got FTM for Christmas with 2 disks of family histories. I realized right away anyone could send in anything - not like current DAR where you have to prove it. Still they are a good point of reference for people working same line. Found Childers on one disk. Wrote to FTM. Got name of individual who submitted information. Asked for his sources. He recently sent them. I'm not convinced. Reason for my asking questions about people working that line.

Pages from a book that appears to be titled Early Families - no author given. The chapters show Early families of Eastern and Southeastern Kentucky. Sent 4 pages. One chapter titled Childers Family of Pike County. Seems to be descendants from a Pleasant

Also copies of sheets compiled by Linda McEwen - no date. She shows reference for Hugh Childers as a will probated 24 September 1572 in Yorkshire N. England. Her forms have sketchy information on the descent & the families - dates & places only. Have you seen this? I can make you a copy of this if you want? No copy of above referenced will in package.

Was also given FTM printouts that say the same & are easier to read.

I am comfortable with information in following attachments that I got from Library. Looking for someone with same lineage to help straighten this out.
